The 2012-2013 Missouri Baptist University Student Handbook is published by the Office of Student Development. The Handbook is produced for the use of students, faculty, and staff of the MBU community at large. Any questions concerning the information published within this Handbook should be directed to the Office of the Senior Vice President for Student Development.

While every effort is made to ensure that the material included in this Handbook is accurate, information is sometimes subject to changes that are not included in the Handbook. A complete and updated Handbook is kept by the Office of the Senior Vice President for Student Development and is considered the most complete copy at any given time. An outline version is also posted online at www.mobap.edu. Please note that dates, policies, and procedures are subject to change without written notice. Major changes in the Handbook mid-year will be distributed to the student body by way of chapel announcements, e-mail, and/or campus notices.

Dear MBU Student,

It is my pleasant task to welcome you to an exciting new year at Missouri Baptist University. If you are a new student, you have chosen well. Missouri Baptist University is a good place to ask questions, get answers, and prepare to be a leader in your community. Our faculty and staff are here to provide you with support and guidance as you begin your education.

If you are a returning student, welcome back. I look forward to seeing you around campus and hope to work with you in continuing to enhance the quality of your education.

There are two reasons that we have a Student Handbook. One is to acquaint you with the rules and regulations of the University. We have tried to anticipate the questions that you might have about academic regulations and procedures, rules for conduct, and federal and state laws that might affect you. The other reason we have a Handbook is to give you a guide to non-academic topics such as where certain offices are located and which personnel can help you when you have a problem or concern. We are committed to a process whereby your problems get solved at the right level. For example, if you have a problem in your residence hall room, you should contact the residence hall director. The Student Handbook can help you cut through the bureaucratic red tape that often plagues colleges.

We really are interested in you as an individual. Every survey of the past several years has shown that students at Missouri Baptist get to know their professors and the professors take an interest in each student. Take advantage of that opportunity.

I will be seeing you around campus. I am most interested in your hopes and dreams and any ideas about how we can better help you achieve those. God bless you with a wonderful year.

Sincerely,

R. Alton Lacey, Ph.D.

President
Dear Student,

Going to college is definitely a journey, one of the most meaningful you can take in life, apart from following Jesus Christ as Savior and Lord (Matthew 4:19). I learned more than I can possibly recount in college. My professors and other college mentors were integral to that process. The college years are a time of life when much journeying is required. You have to choose a career path, where to go to school, where to work, what activities you will get involved in, and who will be your friends. Many of you will find that special someone you want to spend the rest of your life with. This journey will move by more quickly than you know.

My prayer for you is that while you are a student at MBU, you will learn through classes and co-curricular experiences how best to take that journey. If you are a follower of Jesus Christ, you know this school is rooted and grounded without apology in His Gospel. I challenge you in the year to come to let Christ have absolute Lordship over your life. You will find your journey will take on eternal significance as you see your life fit into God’s plan (Ephesians 1:3-14). If you are a student at MBU and not yet a believer in Jesus Christ, I encourage you to consider His claims and come to Him as Savior and Lord. You will have many opportunities in the coming year to hear about what it means to follow Christ.

I urge you to read this Student Handbook all the way through from cover to cover. Get a feel for where things are located in it. It is full of relevant information, especially the “How to...” section. Your acceptance at MBU and your enrollment in classes implies that you will be accountable for the policies set out in this Handbook, from the parking regulations and chapel policies to the Student Conduct Code. Consider it a high privilege and a responsibility to become an MBU Spartan. I urge you to take your responsibility seriously.

I hope we get a chance to get to know each other. Come by my office this fall. You do not need a reason. If I can help you in any way, to make your experience at MBU a better one, please let me know.

In Christ,

Dr. Andy Chambers

Senior Vice President for Student Development

Professor of Bible
Spartans,
This is it: school is in session!
So the question you’re probably asking yourself is: Now what?
As a college student, you’ll be working hard. Attending classes and doing homework are about to become the norm for you; some of you will even be working to pay off your education while you are enrolled. You could be moving into your first apartment, adjusting to your new roommate and suitmates, or even making the daily commute from home this year. You’ll be busy.
Student Activities understands. With that in mind, we make sure your activities fee helps pay for events that YOU want to and can attend.
Our on-campus events are designed to reach the maximum number of students, with Chick-Fil-A giveaways, Mr. Spartan, and the Talent Show. We also show movies and have Open Mic Nights in the Perk, where we knock a dollar off the regular price of their delicious drinks.
Off-campus trips round out our schedule nicely, where students enjoy laser tag, demolition ball, Cardinals Game, the City Museum, float trips, hayride bonfires, and even ice skating in Forest Park, all for free or an extremely discounted rate.
Come by the Student Development Suite in the Field Building and chat with us. We love to have fun, and can’t wait to get you involved in it!
We’re Student Activities. We make college eventful!

“How to” for classes

Register for Classes and Obtain a Student ID, Computer Login, and Parking Stickers

In order to register for classes…

• New students (freshmen, transfers, or re-admits): Must make an appointment with their Admissions Counselor to determine their schedule. The Counselor will provide them with a Registration Checklist.

• Returning students, must make an appointment with their assigned Advisor to determine their schedule.

• Once you have completed your Course Registration Worksheet with your Advisor or Counselor and the courses have been entered, you will proceed to the Information Technologies (IT) Office.

• The IT Office will verify that your registration has been entered and check to see if you have any holds that would restrict you from receiving your Student ID.

  * On the bottom of the Registration Checklist is the Parking Registration Information Form, which must be completed before parking stickers can be issued. If you are a resident and will not have a car on campus, you must indicate so on the parking registration.

• If you have holds on your account which restrict you from receiving your Student ID, you will be provided with a Continuing Enrollment Approval Form and meet with a Financial Services Counselor or proceed to the appropriate office to clear the hold.

  * You must meet with a Financial Assistance Counselor at this point to ensure that all financial aid information for the current school year is complete and that payment arrangements have been made. Completing an MBU Master Promissory note is mandatory for all students. All arrangements for payment must be made prior to the start of the semester.

  * Any student with an outstanding balance from previous semesters must make arrangements with the Financial Services Office before proceeding with the Registration process.

Blending knowledge old and new
Through reverence for excellence
In the home of white and blue.
May we ever keep the honor
Of Missouri Baptist U.
As we dedicate our knowledge
To serve God and mankind, too.

Students are encouraged to make choices that will help them grow. The standard of moral conduct to which Missouri Baptist University calls every student is guided by Southern Baptist beliefs.

CHAPEL ATTENDANCE
Chapel programs are planned to provide the students, faculty, staff, and administration with a period devoted to spiritual and cultural development. Distinguished visitors, speakers, musicians, and other outstanding individuals are invited for these programs, which convene from 11 AM to 11:45 AM every Thursday and on the first Tuesday of the month in Pillsbury Chapel. The second and third Tuesday of the month are usually available for class meetings and organization meetings. See the printed Chapel Schedule, available at the beginning of each semester, for the exact dates. The schedule is also available online at www.mobap.edu/students/chapel.
The chapel convocation is considered to be an integral part of the student’s overall educational experience. The following attendance requirements and provisions reflect this attitude:

1. Undergraduate Students enrolled for nine credit hours or more on the Main campus are expected to attend all chapel convocation programs. Those enrolled for eight hours or less are encouraged to attend whenever possible.

2. A student attending 80% or more of the programs printed in the Chapel Schedule is awarded one additional quality point for the semester.

3. Those attending 60%-79% of the programs are considered to be following the minimum acceptable attendance pattern, and there is no change in quality point status.

4. One quality point is removed from the record of a student who attends only 50%-59% of the programs.

5. A student who attends less than 50% of chapel convocation programs in any one semester loses one quality point and is in danger of being placed on disciplinary probation, during which time the student is restricted from certain leadership and extracurricular activities, and all institutional financial aid the student has been receiving is discontinued.

6. If unable to attend the chapel services there are optional school events the student can choose to receive chapel credit up to 3 credits. These are listed on the back of each Chapel Schedule at the beginning of each semester as well as online at www.mobap.edu/students/chapel.

7. A student who consistently disregards responsible chapel attendance may be asked to withdraw from the University.

8. If unable to attend chapel during the semester due to uncontrollable circumstances, a letter must be submitted to the Senior Vice President for Student Development requesting an excuse. If you have a job that requires you to miss chapel, you must have your employer submit the letter on company letterhead with contact numbers.

9. Requests for chapel excuses must be submitted by October 1 & February 1 of each semester.

10. Attendance will be taken from 10:40 AM until 11:10 AM after which time attendance will not be taken for credit. In addition, students leaving chapel before dismissal will have chapel attendance cancelled for that day. It is the responsibility of the student to follow this procedure. If habitual infractions are observed, the student may receive disciplinary action by the Senior Vice President for Student Development.

11. Any appeals concerning chapel credit must be submitted in writing to the Senior Vice President for Student Development within three months of the semester in question.

APPROVAL OF ORGANIZATIONS

All student organizations are subject to the approval of the Student Government Association and the faculty and administration. The Student Government Association will ensure that organizations regularly review and revise their constitutions. The faculty and administration may, if circumstances warrant, restrict or disband any student organization. All student organizations must follow and support the University’s mission.

CUSTODY OF ORGANIZATION FUNDS

All student organizations are required to deposit their funds with the University Financial Services Office. The University disburses funds when requested by the organization advisor and the president or treasurer of the organization.
STUDENT LEADERSHIP

To qualify for and maintain a student leadership position at Missouri Baptist University, a student must 1) currently be enrolled on the MBU campus, 2) have a cumulative grade point average of at least 2.5 (on a 4.0 scale) at the time of his or her election, and 3) his/her beliefs, conduct and lifestyle must conform in all respects to the beliefs and principles generally held by the Missouri Baptist University community. Some leadership positions may have additional specific eligibility requirements. Any questions concerning the qualification of a student to hold a specific leadership position shall be determined by the specific organization faculty/staff advisor and/or the Director of Student Activities and/or the Senior Vice President for Student Development.

STUDENT GOVERNMENT ASSOCIATION (SGA)

Student Government Association membership includes all full- and part-time students of MBU. The Association elects four executive council members: President, Vice President, Secretary/Treasurer, and Student Advocate. It is organized to serve as a voice for the student body to University administration and trustees, to cooperate with the faculty and administration in the daily function of the University, to advance the welfare of the University, and to promote an awareness and interest in the vital issues affecting the University community.

SGA is the governing organization for the whole community of campus-wide organizations. Each organization is accountable to SGA for its progress, projections, and growth.

SPARTAN ACTIVITIES COUNCIL (SAC)

The Spartan Activities Council is organized to integrate and coordinate student activities and life on campus. The Spartan Activities Council strives to assist in the enrichment of each student’s college experience by providing exposure to cultural, social and recreational events, and creating activities in which students may participate throughout the week and on weekends. SAC desires to build University community by encouraging students to have pride in and loyalty to Missouri Baptist University through involvement in leadership experiences, activities planning, and participation.

SAC is responsible for coordinating major weekends such as Welcome Weekend and Homecoming. It also organizes recreational, educational, and special programming, including but not limited to, lectures, movies, trips, sporting events, and parties.

MINISTRY OPPORTUNITIES

Missouri Baptist University is unapologetically Christian. It provides an environment for learning which takes seriously the integration of faith and learning. The religious program of the University is in the broad evangelical Protestant tradition and seeks to respect the religious integrity of every student. Chapel furnishes worship opportunities and helps make students aware of moral and spiritual issues. Student Ministries provides for small group prayer and support groups as well as opportunities for discipleship and individual Bible study.

Community service opportunities, as well as on-campus service opportunities, and the availability of on-campus chapters of student-centered national Christian organizations provide a place to serve and grow for students from almost any background.

The Campus Ministries office offers many opportunities for students to be involved and put their faith into action. The Campus Ministries office’s vision reaches campus-wide, citywide, nation-wide, and internationally. The student is encouraged to visit the Campus Ministry office to know more details.

Opportunities to serve in a Ministry Ensemble, such as Spirit Wing, Faithful, Closer, Shelter, or one of several MBU Ministry Teams are available by audition. Students interested in serving should contact the Director of Ministry Groups or the Office of the Campus Minister.
MISSION OPPORTUNITIES

God provides us with many opportunities every day to serve Him, some in big ways and others in very important, but smaller ways. Missouri Baptist University believes in the importance of service and of missions and urges students to get involved in Great Commission Kingdom ministries. Each year Missouri Baptist University provides several mission opportunities for students, faculty, and staff. Teams have gone out internationally in recent years to Brazil, Sweden, Scotland, France, Spain, Poland, England, Romania, Greece, Southeast Asia, Zambia, Puerto Rico, and Haiti. Qualified students participating on some MBU Mission Teams can earn up to three hours of class credit (humanities/elective). Additional opportunities are offered through other campus organizations and through community service projects. Information on upcoming mission opportunities can be obtained through the Office of Campus Ministry.

These services and resources are listed below. Students can call or visit the ASC website at mobap.edu/success for more information or to sign up for an appointment.

Tutoring Services: Students can meet with a tutor to receive individualized help with various disciplines. There is a walk-in policy for subjects such as math and science while others require an appointment. Group study sessions are also available for some classes.

Writing Lab: Students can meet with a writing coach to receive help with various parts of the writing process including brainstorming, structuring a paper, improving grammar, editing, and properly citing sources. A writing coach is available by appointment only.

Study Skills Development: The ASC offers a variety of free workshops and handouts to help students with study skills such as time management, test preparation, note-taking, reading strategies and memory strategies. The workshop schedule and handouts are located in the literature rack just outside the ASC, and they are also available online. Students may also meet one-on-one with a study skills coach to help develop these skills.

Testing Services: Classroom make-up exams are coordinated through the ASC. In addition, examinations including the ACT, Residual ACT, mid-level assessment tests, DSST, C-Base, Major Field Exams, and CPCE are supervised, scheduled and administered by the Coordinator of Testing.

Quest: Incoming students who are admitted to the University on probation participate in Quest, the University’s program of academic success. Students will have regularly scheduled meetings with the Director of the ASC. These mentoring meetings are designed to help students with achieving a 2.0 or higher cumulative grade point average.

ADMISSIONS – ADMINISTRATION BUILDING - 314.392.2290

The Office of Admissions recruits, counsels, and admits students to the University. Admissions Counselors work with potential students through the entire process of admission, ensuring that students meet admission requirements and that all paperwork and files are complete. Counselors orient students and their families to the University by hosting campus tours, introducing them to faculty and staff, informing them of policies and procedures related to financial responsibilities, and discussing available scholarships and aid.
The Alumni Office is a great resource for MBU graduates by promoting a lifelong, active relationship with alumni and engaging them in the life of the University. The Alumni Office organizes alumni gatherings and reunions, as well as events to support current students.

All alumni are considered members of the Missouri Baptist University Alumni Association. The Alumni Association has a Board of Governors, made up of a diverse group of alumni located throughout the country. This group meets quarterly to discuss alumni initiatives.

There are several benefits for alumni, including tuition assistance and discounts on insurance, hotels, and car rentals. Refer to mobap.edu/alumni for more information.

Alumni are encouraged to get involved by volunteering at events, hosting a regional event, recruiting students, mentoring students, and joining alumni committees. Alumni can e-mail alumni@mobap.edu for more information.

The alumni e-newsletter, The Peloponnesian, covers the latest alumni happenings. Students can connect with alumni now by joining our Facebook page and LinkedIn group.

Meal Plan
As part of the contractual relationship with the Food Service, all residence hall students are required to purchase their meals for each semester during which they reside in the residence hall. All MBU students who are eating on a meal plan must have their MBU Student ID with them in order to be served in the Dining Hall. Students will not be served on the meal plan without a current MBU Student ID. There are no exceptions.

Meal Cards
The Food Service uses a computerized checking system. The meal plan “bar code” will be assigned to each resident’s MBU Student ID card when the card is processed through the Office of Information Technologies as part of the registration procedure. Residents will be required to produce their MBU Student ID card at meals in the Dining Hall in order to go through the food line.

The Food Service makes Declining Balance Meal Cards available, and you may purchase them from the Cafeteria Manager in $30 increments. There will be a 20% discount; therefore, you pay only $24 for a $30 value. These are available to non-residence hall students, faculty, and staff. When a Declining Balance Meal Card is purchased, a number is assigned to your MBU ID card. Your card is scanned each time you make a purchase, and the appropriate amount is deducted from your account.

Food Service jobs are available through the year to qualified responsible students. Contact the Director of Food Service for further information.

Positive suggestions for improving the University’s Food Service can be directed through the Food Service Committee by emailing foodservicecommittee@mobap.edu.

ACADEMIC SERVICES

FACULTY CHRISTIAN EMPHASIS
Faculty are selected with the objectives of the University in mind and with emphasis placed upon character and Christian commitment, academic competence, teaching ability, and personality. Evidences of character include dynamic Christian living, active participation in and financial support of church affairs, and maintenance of high standards of accomplishment for themselves and for their students.

STUDENT/FACULTY RELATIONS
The University is designed to provide the best quality education with a personal interest in each student. Faculty members at Missouri Baptist University are readily available for conferences with students. Members of the faculty are concerned with helping each student develop a lifestyle that is committed to Christ. After admission to Missouri Baptist University, students are assigned to an academic advisor. The advisor is to play a vital role in helping each student to develop long-range academic and career plans and to select semester class schedules. The advisor must also give approval for all schedule adjustments, overloads, interinstitutional registrations (consortium), and directed studies.

ACADEMIC ADVISEMENT
The Office of Advising, located on the third floor of the Field Academic Hall, assigns each new student at Missouri Baptist University to an academic advisor for the period that he/she attends the University. Students must see their Academic Advisor to register for classes or to make schedule adjustments. Once a student who entered MBU as “undecided” or “undeclared” has declared a major, he/she must complete the proper forms and submit them to the Advising Office in order to be assigned to an advisor. If a student wishes to change advisors or majors, he/she must submit a completed Change of Major/Advisor Form to the Advising Office.

ACADEMIC DISHONESTY
Academic dishonesty jeopardizes the academic integrity of the University and is not in keeping with Christian principles. It is considered a serious offense. Missouri Baptist University expects students to attach their names only to work or research that they have done themselves. Materials and sources must be properly documented. Students must prepare original work and research, present their own reports and papers, and take examinations without any assistance or aids not expressly permitted in the testing procedure.
Academic dishonesty includes, but is not necessarily confined to: plagiarizing; cheating on examinations; submitting counterfeit reports, tests, or papers; stealing tests or other academic materials; knowingly falsifying academic records or documents such as transcripts; and submitting the same work to more than one class without the consent of the instructors involved. 

Academic dishonesty of any nature will result in disciplinary action, which may include receiving a failing grade on the piece of work in question, failure in the course, or dismissal from the University. Academic dishonesty is a part of the Student Conduct Code. 

ACADEMIC PRIORITIES 
All students are expected to do the best academic work of which they are capable. They are expected to give first priority to the preparation of assignments, to class attendance, and to class participation. Outside study time needed will vary with each class. Generally, two hours of outside study time are required for each hour of in-class time.

For the University experience to be fulfilling, students must strive to grow through the knowledge offered in class and outside study. True intellectual growth results from an individual forming opinions under the rigors of intellectual discipline. 

CANCELLATION OF CLASSES 
In the event that day classes are cancelled due to snow or other severe weather, or if classes are to run on the Delayed Day Schedule, please note the following:

- The mobap.edu website will provide the most accurate information and details.
- The Main campus phone messaging system (314) 434-8262 will play updated information.
- The following broadcast centers will be notified: KMOX Radio (1120 AM), KSDK Channel, and other outlets.

Announcements on KMOX begin at 5:30 AM with a repeat listing at 6:30 AM. KTVI Fox and KSDK NBC continually broadcast information from 5:30 AM - 9 AM. Announcements on the website and phone system will be made as early as possible.

When the Delayed Day Schedule is announced, 8 AM classes are cancelled and students should report to school at 9:30 AM for classes that are scheduled to begin at 9 AM or 9:30 AM. All other classes will meet as scheduled. All evening class cancellations will be decided by 4 PM and posted on the website.

CLASS ATTENDANCE AND TARDINESS 
Missouri Baptist University has no system of “cuts” or “excused” absences. Absences are counted from the first day of the term. Students are expected to report to class on time. The faculty member is to meet each class promptly. A professor who arrives as much as fifteen minutes late cannot expect a class to wait unless he/she has sent word ahead. Exceptional circumstances must be considered by the individual faculty member.

GRADE APPEALS 
If a student believes he or she has received a course grade that is not reflective of the quality of work put forth in accordance with the expectations outlined in the course syllabus, the following procedure provides a way for that student to appeal the grade and address his or her concerns. However, the student should not assume that any grade appeal will be successful.

The first step is to contact the instructor upon posting of the final course grade. Final course grades are posted online through Spartan Space the week following the end of the course. In the event that the instructor is no longer employed by the University, the grade appeal will be determined by the Division Chair. This first step should be completed in writing by letter or e-mail no later than 30 days after the beginning of the semester following the one in which the disputed final grade was received (30 days into the Spring semester for a Fall or Winterim course or 30 days into the Fall semester for a Spring or Summer course). The appeal must be factually based and the evidence for the appeal clearly explained. An appeal may be based on one of the following standards: (1) the recorded grade is an error or (2) the grade determination was not reflective of the quality of work put forth in accordance with the expectations outlined in the course syllabus. These are the only legitimate grounds for an appeal. Students may not appeal an individual test, assignment, or project grade.
Upon receipt of the appeal, the instructor has fourteen (14) days to evaluate and respond in writing. The instructor’s response need only notify the student as to whether the appeal has been sustained or denied. If the instructor determines that the grade should be changed, the instructor will file a Change of Grade Form with the Records Office. A copy of that communication will be provided to the student and to the Division Chair.

If the instructor denies the appeal, the student may next appeal to the Division Chair responsible for the course within fourteen (14) days of receiving the instructor’s decision. If the course instructor is the Division Chair, or if the Division Chair reviewed the original appeal because the instructor is no longer with the University, the appeal would be to the Senior Vice President for Academic Affairs. To initiate the second-level appeal, the student must submit the following items to the Division Chair (or the Senior Vice President for Academic Affairs, when appropriate) and to the Records Office: signed Grade Appeal Form, the instructor’s written denial, and an explanation with supporting evidence as to why the denial is deemed to be unjustified. The Grade Appeal Form is available in the Records Office and can be downloaded from the MBU website.

The Division Chair will consider the grade appeal and review the points of disagreement and thereby determine whether the grade was recorded in error, or whether the award of the grade was not reflective of the quality of work put forth in accordance with the expectations outlined in the course syllabus.

The Division Chair will render judgment as to whether the grade that has been assigned is the accurate grade. The Division Chair’s decision will be the final determination of the grade.

In addition to the broad spectrum of classes available on the Main campus and at regional learning centers, Missouri Baptist University also offers the opportunity to study abroad. Our current programs include study at colleges or universities in Hong Kong, China, Japan, Taiwan, Vietnam, Thailand, England, Austria, Belgium, Czech Republic, the Netherlands, France, Switzerland, Hungary, Ireland, Italy, Poland, Russia, Spain, Jordan, Senegal, Ghana, South Africa, Australia, Dominican Republic, Costa Rica, Brazil, Chile, and Argentina, with many other options available. Each of these schools is fully accredited, and classes are transferable to any United States college or university. While the tuition and expenses vary by country, students may apply for a study abroad scholarship to assist with the additional costs associated with studying abroad. GOVERNING PRINCIPLE
The governing principle for Missouri Baptist University Student Conduct Code, Policies, and Procedures is Galatians 5:14, “The entire law is summed up in one command, ‘Love your neighbor as yourself.’” And Luke 6:31, “Do to others as you would have them do to you.” These scriptures are fleshed out in Biblical values such as respect, humility, integrity, service and leadership.
STUDENT CONDUCT CODE STATEMENT
Missouri Baptist University is a church-related institution, and it is expected that employees and students will conduct themselves in accordance with Christian principles both on and off the campus. Personal misconduct either on or off the campus by anyone connected with MBU detracts from the Christian witness the University strives to present to the world and hinders full accomplishment of the University program. While at the University, the student is expected to obey federal, state, and local laws. The University and its employees will cooperate with law enforcement agencies during an investigation. Each student is also expected to obey rules and regulations established by Missouri Baptist University. In all cases of violation of the University rules and regulations, or of actions in violation of local, state, or federal laws, Missouri Baptist University reserves the right to proceed with its own disciplinary action independent of governmental charges or prosecution. There is no University policy to await the outcome of governmental prosecution.

SCOPE OF CODE
The following policies prohibiting specific types of conduct are not designed to be a comprehensive, inclusive code. Any conduct violation of local, state, or federal laws, or any indecent or disorderly conduct disruptive of the orderly process of the University educational program, may be grounds for disciplinary action.

STUDENT AWARENESS RESPONSIBILITY
It is the responsibility of the student to become familiar with these policies and rules. The administration will attempt to ensure that all students know the rules through orientation sessions. However, students are responsible to the University for their conduct. If students should witness a violation of these policies on the part of other students, faculty, or administrators, it is their responsibility to report it. In the event that a student violates the campus rules, the student will appear before the Senior Vice President for Student Development and/or the University Conduct Committee for disciplinary action. A student enrolling in Missouri Baptist University assumes an obligation to behave in a manner compatible with the University mission and purpose as an educational institution.

However, nothing herein limits the administration of the University from taking appropriate action, including, but not limited to, the imposition of sanctions against students for conduct on or off University premises.

SEXUAL HARASSMENT POLICY

SEXUAL HARASSMENT
Missouri Baptist University is committed to excellence in education that is based on Christian values and standards. The University believes this goal can be achieved only in an environment free of sexual harassment. Sexual harassment undermines the mission of the University, and is prohibited by state and federal law, and will not be tolerated or condoned. The intent of Missouri Baptist University is to provide an environment for students, employees, and faculty that is free of sexual harassment.

DEFINITION
Sexual harassment is the use of personal power or authority to intimidate or attempt to intimidate or coerce a person of the opposite sex (or same sex) into unwanted sexual activity or to create a hostile or offensive academic or work environment. Sexual harassment is distinguished from consensual relationships by the introduction of the element of coercion; threat; unwelcome sexual advances; request for sexual favors; sexually explicit or suggestive material in written, verbal or visual form; or other unwelcome verbal or physical conduct of a sexual nature where:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or academic performance;
2. Submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting the individual; or
3. Such conduct has the purpose or effect of substantially interfering with a student’s or employee’s academic or work performance, or creating an intimidating, hostile or offensive academic or work environment.

EXAMPLES OF PROHIBITED BEHAVIOR
Prohibited behavior may take various forms. Examples of conduct that may constitute sexual harassment include, but are not limited to:

1. Unwelcome sexual advances or requests for sexual favors.
2. Sexually explicit language, jokes, and/or innuendo.
3. Repeated sexual propositions, date invitations, solicitations and flirtations, known to be unwelcome.
4. Inappropriate and/or offensive touching, fondling or bodily contact.
5. Sexually suggestive objects, pictures, videotapes, audio recordings or literature presented or displayed in the classroom, faculty office, staff office, athletic area, or other common areas.
6. Threats or insinuations that may affect a person’s employment, wages, promotional opportunities, grades, evaluations, and other academic or employment performance.
7. Sexual assault or attempted sexual assault.

**INTENT**
The fact that a person did not intend to sexually harass an individual is not considered a defense to a complaint of sexual harassment.

**IMPLEMENTATION**
To support this policy, Missouri Baptist University will conduct periodic orientation and educational programs for faculty, students, and staff concerning sexual harassment in order to insure a campus environment free from sexual harassment. This orientation and educational process will be administered by the Senior Vice President for Student Development.

**RETAIATION**
Retaliation against anyone reporting or thought to have reported sexual harassment behavior is prohibited. Such retaliation shall be considered as a serious violation of the policy and shall be considered independent of whether informal or formal complaint of sexual harassment is substantiated. Encouraging others to retaliate shall constitute a violation of the policy.

Examples of conduct that may constitute retaliation include, but are not limited to:
1. Unfair grading.
2. Unfair evaluation.
3. Unfair assignments.
4. Having information withheld or made difficult to obtain in a timely manner such as class information, recommendations or grades.
5. Not being informed about important events, such as meetings or changes in policies.
6. Ridicule (public or private).
7. Verbal or written threats or bribes.
8. Refusal to meet with the person even though that person has a right to do so.
9. Name-calling.
10. Further harassment.

**SEXUAL HARASSMENT PROCEDURES & EDUCATIONAL PROGRAM**

**INFORMAL COMPLAINT**
1. At the complainant’s option, a complaint that one or more provisions of this policy have been violated shall be brought in the case of an alleged student violator, to the Senior Vice President for Student Development, or the Dean of the Regional Learning Center and, in the case of an alleged staff or faculty violator, to the Provost/Senior Vice President for Academic Affairs.
2. The administrator, Dean or Senior Vice President, to whom the complaint is made will counsel the complainant as to the options available under this policy and, at the complainant’s request, may intervene on the complainant’s behalf to attempt to resolve the complaint informally through discussions with the person alleged to have violated the policy.
3. The person to whom the informal complaint is made will not inform the accused of the complaint without the consent of the complainant.
INVESTIGATION PRIOR TO FORMAL ACTION

1. A complainant wishing to make a formal complaint should file a written complaint with the Senior Vice President for Student Development or Provost/Senior Vice President for Academic Affairs, as the case may be, who will determine the method by which the investigation will be conducted.

2. The purpose of the investigation is to establish whether there is a reasonable basis for believing that the alleged violation of this policy has occurred. In conducting the investigation, the appropriate administrator or his/her designee may interview the complainant, the accused, and other persons believed to have pertinent factual knowledge. At all times the administrator responsible for the investigation will take appropriate steps to insure the confidentiality of the investigation.

3. The investigation will afford the accused a full opportunity to respond to the complainant’s allegation(s).

4. Possible outcomes of the investigation are:
   a. A judgment that the allegations are not warranted.
   b. Mutually acceptable resolution of the complaint.
   c. Commencement of a formal disciplinary action, described in succeeding sections.

PROCESS FOR TAKING FORMAL ACTION

If, after the investigation is complete, the responsible administrator to whom the complaint is made concludes that there is a reasonable basis for believing that an alleged violation of this policy has occurred and a mutually acceptable resolution of the matter cannot be achieved, formal action may be taken.

The decision to take formal action will be made by the Provost/Senior Vice President for Academic Affairs, when a faculty member, other instructional personnel, or staff member has been charged. The Senior Vice President for Student Development will make the decision in the case of a student having been charged.

FORMAL ACTION

Except as specifically modified by other provisions of this policy, formal action involving allegations of:

1. Violations of this policy by faculty and staff will be governed by the grievance policy and procedure outlined in the personnel procedures handbook.

2. Violations of this policy by students will be governed by the Judicial Procedure for alleged Violations of Code of Student Life. Both the Code of Student Life and the Judicial Procedure are published and distributed to students annually in the University Student Handbook.

PERMISSIBLE SANCTIONS FOR VIOLATION OF THE POLICY

The sanction for violation of this policy include, but are not limited to, censure, suspension or termination of employees, faculty and staff of the University, and censure, suspension or expulsion of students.

PROTECTION OF COMPLAINANT AND OTHERS

Normally, the person against whom the informal complaint is made will be notified of the complaint in order to facilitate a resolution of the complaint. The complainant will be kept reasonably apprised of the status of the investigation. All reasonable actions taken to insure that the complainant and those testifying on behalf of the complainant will suffer no retaliation as the result of their participation in the complaint, investigation or hearing process.

Steps to avoid retaliation may include:

1. Lateral transfer of one or more of the parties to a different employment setting or a comparable move to a different classroom setting.

2. Arrangements that academic and/or employment evaluations concerning the complainant or others be made by an appropriate individual other than the accused.
3. In extraordinary circumstances, the Provost/Senior Vice President for Academic Affairs may, at any time during or after an investigation of a sexual harassment complaint, suspend from teaching responsibilities any faculty member or instructional person accused of sexual harassment pending a final hearing, if after reviewing the allegations and interviewing of the accused, the complainant, and if appropriate, other persons having knowledge of the matter, the Provost/Senior Vice President for Academic Affairs finds that it is reasonably certain that the alleged sexual harassment has occurred and serious immediate irreparable harm will occur if the person continues to teach the class. In the same manner, the Senior Vice President for Student Development may suspend any student alleged to have violated the policy from attending classes and/or otherwise enjoin from attending classes on campus pending a formal hearing on the charges.

PROTECTION OF THE ACCUSED
At the time the investigation commences, the accused will be informed of the nature of the allegations, the identity of the complainant, and the facts surrounding the allegations. A complainant found to have been intentionally dishonest in making the allegations or to have made them maliciously is subject to disciplinary action. False charges or complaints of sexual harassment will be treated as a serious offense, which is damaging to the total campus community.

PROTECTING BOTH PARTIES
To the extent possible, the proceedings will be conducted in a way calculated to protect the confidentiality of both the complainant and the accused. The parties will be informed promptly about the outcome of the proceedings.

EDUCATION AS A KEY ELEMENT OF THE POLICY
Educational efforts are essential to the establishment of a Campus environment that is as free as possible of sexual harassment. There are at least four (4) goals to be achieved through education:

1. Insuring that all faculty members, students and employees are aware of their right to be free from sexual harassment;
2. Reasonably informing individuals of conduct that is proscribed by the policy;
3. Insuring that administrators properly respond to complaints of violations of this policy; and
4. Helping to sensitize students, employees, faculty members and administrators to the issue of sexual harassment on campus.

PREPARATION AND DISSEMINATION OF INFORMATION
The office of the Provost/Senior Vice President for Academic Affairs is charged with distributing copies of this policy and procedures to all current members of the University community and to all those who join the community in the future. An annual letter from the office of the Provost/Senior Vice President for Academic Affairs will be sent to all faculty and staff to remind them of the contents of the Sexual Harassment Policy. A copy of the Sexual Harassment Policy will be included in student orientation materials. Copies of this policy and procedures will be continuously available at appropriate University centers and offices.

The office of the Provost/Senior Vice President for Academic Affairs will develop a series of training sessions for those persons who are likely to receive complaints that the policy has been violated. Including but not limited to, such persons as residence hall assistants, academic advisors, Division Chairs and faculty.

The Senior Vice President for Student Development will develop a course designed to inform and educate students to the issue of sexual harassment, the conduct prohibited on campus by this policy and the appropriateness of sanctions for violations of this policy. A mandated program for those students determined to have violated the policy and will be imposed as a component of any complaint resolved through conciliation.
FALSE CHARGES
False charges or complaints of sexual harassment will be treated as a serious offense, which is damaging to the total campus community.

STATEMENT OF SEXUAL BEHAVIOR
The University believes that sexual intercourse and other forms of intensely personal sexual behavior are derived from a setting within the male-female marriage relationship. Its meaning is constituted by its practice within a proper context, marriage, and with a proper intent, an expression of love under the Lordship of Jesus Christ. Sexuality is rooted in respect for human life and the individual dignity of human beings as made in the image of God. For this reason the University condemns sexually exploitive or abusive behavior and any form of sexual harassment. Since pornographic material is considered degrading to human dignity, the University prohibits the possession and use of such material.

STUDENT DISCIPLINARY PROCEDURES

NOTICE OF CHARGES
The University’s student conduct policies, rules and regulations or other University policies related to students are collectively referred to as the “Student Conduct Code” herein.

Resident Directors will deal with cases involving violations of the Resident Life Handbook and minor violations of the Student Conduct Code related to resident life that occur in MBU housing (including the off-campus apartments). Resident students will be notified in writing by the Resident Director of the charges and sanctions imposed. If the student objects to the sanctions, he/she must appeal in writing to the Senior Vice President for Student Development within two (2) business days of their signed receipt of the sanction letter. The student making the appeal must submit a written defense of his/her appeal detailing why he/she objects to the sanctions. The Senior Vice President for Student Development serves as the first and final level of appeal for minor infractions involving Resident Life.

The Senior Vice President for Student Development will deal with more serious violations of the Student Conduct Code. In more serious cases every student accused of violating the Student Conduct Code shall receive a written notice of charges from the Senior Vice President for Student Development which shall include the sanctions imposed by the Senior Vice President for Student Development relative to those charges, which sanctions shall be effective immediately. Prior to issuance of such written notice of charges, the Senior Vice President for Student Development or his designee will attempt to meet with the student, advise the student orally of the general nature of the charges and allow the student to provide the student’s explanation relating to the charges.

The Senior Vice President for Student Development for good cause shown reserves the right to temporarily suspend student privileges, including limiting or prohibiting a student’s presence on campus, during the time a student is under investigation for violation of the Student Conduct Code and/or federal, state, and local laws. This determination is made when the potential violation is so serious that the well-being of members of the University community, other parties, and/or the mission of the University may be damaged as a result of the potential violation.

HEARING BEFORE THE SENIOR VICE PRESIDENT FOR STUDENT DEVELOPMENT
If the student objects to the charges or sanctions, the student must within three (3) business days of the receipt of the notice and sanctions, submit a written request for a hearing to the Senior Vice President for Student Development, and may request a stay of the sanctions by the Senior Vice President for Student Development for good cause shown. The Senior Vice President for Student Development shall schedule a hearing with the student to be held within three (3) business days of the receipt of such request, and shall notify the student of the time and place of such hearing. At the conclusion of the hearing, or within two (2) business days of the conclusion of the hearing, the Senior Vice President for Student Development shall notify the student in writing of the determination of the Senior Vice President for Student Development as to the charges and sanctions.
APPEAL TO THE UNIVERSITY CONDUCT COMMITTEE

If the student chooses to appeal the decision of the Senior Vice President for Student Development, the student may, within three (3) business days, formally appeal to the University Conduct Committee by written notice delivered to the Senior Vice President for Student Development. Upon receipt of such appeal notice, the Senior Vice President for Student Development shall promptly deliver the notice to the Chair of the University Conduct Committee. The President of the University shall appoint the Chair, as well as the members of the Committee. The student may request a stay of sanctions during the appeal process. The Senior Vice President for Student Development will determine the stay of sanctions. This decision cannot be appealed. The student is automatically placed on probation throughout the entire appeal process. Any further violations of the Student Conduct Code may result in the denial of the current appeal and immediate suspension or expulsion.

HEARING BEFORE THE UNIVERSITY CONDUCT COMMITTEE

Within three (3) business days of the filing of the notice of appeal, the Chair of the Conduct Committee shall assign a subcommittee consisting of three members of the Conduct Committee the task of evaluating the merit of the appeal. The student making the appeal must submit a written defense of his/her appeal detailing why he/she objects to the sanctions. The subcommittee members should evaluate the student’s appeal and other documentation relevant to the violation based on the following criteria:

1. Irregularities in fairness that influenced the outcome of the disciplinary action. It is the burden of the student making the appeal to demonstrate the original decision would more likely than not have been different had the irregularity or error not occurred.
2. Demonstrated prejudice against any party involved on the part of the Student Development officer who participated in the disciplinary action. The prejudice must be more than simple opposition to the appealing party’s point of view; instead, evidence must show a significant conflict of interest, bias, pressure or influence that prevented a fair and objective hearing.
3. Discovery of new and significant evidence not available at the time of the original hearing.
4. A sanction that is extraordinarily disproportionate to the violation.

Requests for appeal will not automatically be granted and may be denied by the subcommittee if one (or more) of the above criteria is not demonstrated. Within five (5) business days the subcommittee will report its decision to the Chair of the University Conduct Committee. Notification will be given to the student by the Chair of the Conduct Committee within two (2) business days of receiving the subcommittee’s decision. If the subcommittee denies the appeal, there is no further appeal.

If the subcommittee decides that the appeal should be heard by the full Conduct Committee, the Chair, within seven (7) days of receiving the subcommittee’s decision, will establish the date, time, and place of a hearing of the charges against the student, and shall send written notice of such to the student, the Senior Vice President for Student Development, and all of the members of the Committee. The date of the hearing shall be not less than seven (7) days and not more than twenty-one (21) days after the giving of the notice of the hearing. The University shall make arrangements for the making of a record of the hearing, either by a stenographer or other appropriate means, and shall bear the expense of making such record. The student shall have the following rights at the hearing:

1. To be present at the hearing;
2. To cross-examine any witnesses presented by the administration;
3. To present witnesses and other appropriate documentary evidence; and
4. To remain silent or to testify in defense.
DECISION OF THE SENIOR VICE PRESIDENT FOR STUDENT DEVELOPMENT AND THE CONDUCT COMMITTEE

Following the conclusion of the hearing, the Committee shall deliberate in closed session and within reasonable time shall render a decision by a majority vote. The Chair of the Committee shall deliver the written findings and the decision of the Committee to the Senior Vice President for Student Development as soon as is practical after the decision is rendered. The student shall be notified of the Committee recommendation and the final decisions concerning the disciplinary actions in a joint meeting with the Senior Vice President for Student Development and the Committee Chair. Once the appeal process is completed, there is no further appeal process.

NOTICE TO THE STUDENT

Any notice to the student under this discipline policy shall be mailed by certified mail to the most recent address shown in the official student file maintained by the University, and shall be deemed received when deposited in the U.S. Mail with postage pre-paid. If the student desires to pick up any notice subsequent to an appeal to the Senior Vice President for Student Development, the student shall make an appointment between two (2) and seven (7) working days with the Senior Vice President for Student Development to receive and sign for the written result of the appeal.

If, at any time during the appeal process, the student desires to designate a different address for notice, the student shall so advise the Senior Vice President for Student Development, and such address, along with designated telephone number, shall be forwarded to the Chair of the Conduct Committee by the Senior Vice President for Student Development.

SANCTIONS

The following sanctions may be imposed upon any student found to have violated the Student Conduct Code; more than one of the sanctions may be imposed for any single violation. These sanctions will be imposed by the Senior Vice President for Student Development or jointly by the Senior Vice President for Student Development and the recommendation of the Student Conduct Committee.

TRAFFIC & PARKING POLICIES

INTRODUCTION
Missouri Baptist University has five parking lots to accommodate parking needs. Those five lots are the main lot (B), the Field Academic Hall lower lot (A), upper and lower lots at the baseball field (C), and the residence hall lots (D and E). Due to the large number of vehicles on the University property at any given time, rules have been established for the use of these lots. These rules have been established to make parking as safe and convenient as possible.

REGISTRATION OF VEHICLES
All students must register their vehicle on campus and obtain a parking sticker by the first day of class each semester. All parking stickers are sold on a first-come, first-served basis. Possession of a sticker for a specific lot gives you the privilege of parking in that lot but does not guarantee a parking space. Parking in any reserved or visitors’ spaces will result in a ticket or the possibility of your vehicle being immobilized by a vehicle boot device. No vehicle may be parked on campus without a parking sticker affixed to your vehicle or a temporary one-day parking hangtag.

The parking sticker should be affixed to the outside lower left rear window of the vehicle (back window driver’s side). Convertible automobiles or vehicles with a removable rear window should affix the sticker to the lower left front window outside (below state inspection sticker). Any vehicle that does not have the sticker affixed in the proper location or not readily visible will be ticketed for failure to display sticker registration.

PARKING STICKER FEES
Parking stickers may be purchased during the registration process for each semester. Parking sticker fees are as follows:

Lot A (Lower)/Lot B (Main) – Faculty/Staff Sticker (F/S)
- Persons with any color sticker may park in Lots A and B after 4:30 PM. Except Dorm residents may not park in any lot except the Dorm lot (D) or Spartan Village lot (E).
- Full-and part-time faculty and full-time staff only may have an F/S sticker.
- Faculty/Staff sticker will be orange.

Lot A/B stickers – Limited issued stickers $75 per semester
- These stickers are for graduate students and special needs students at the discretion of the Senior Vice President for Student Development.
- These stickers will be red in color with the year and semester in the lower left corner.

ABANDONED VEHICLES
All vehicles parked on Missouri Baptist University property must have current registration from the student’s home state. Any vehicle without current and valid license plates will be considered abandoned and will be towed at the owner’s expense in accordance with the City of Creve Coeur and the State of Missouri laws on abandoned vehicles.

TRAFFIC REGULATIONS
At Missouri Baptist University, like everywhere else in the nation, driving is a privilege. To ensure that everyone enjoys that privilege, all local, state and University traffic regulations governing the safe operation of a motor vehicle will be enforced. The campus speed limit is 15 miles per hour except where a slower speed limit is essential for safety. Motorcycles and bicycles should be parked in appropriately marked areas, and drivers and riders are expected to observe the same traffic rules as vehicle drivers. Pedestrians have the right of way at all times and all vehicles are required to yield to them. All stop signs on campus are placed to maintain safety for all traffic and pedestrians. Running a stop sign, careless and reckless driving, and failing to yield to pedestrians are considered serious offenses and will result in a moving violation.

FINES AND PAYMENTS
All moving violations and/or parking regulations carry fines. Penalties, with the exception of moving violations, failure to obey a security officer, failure to register vehicle(s), and/or failure to furnish correct license numbers, will be reduced to one-half if paid within 24 hours of the time of the receipt of the citation, exclusive of Saturday, Sunday and official vacation periods. Failure to register for parking will result in a “hold” for the amount of the sticker plus the cost of any tickets incurred. Penalties are payable by cash, check, or credit card to the Student Financial Services Office. At the discretion of the Senior Vice President for Student Development, campus service may be required in place of monetary payment. Until these fines are paid in full, no transcripts will not be issued for students.

**PARKING METERS**

Missouri Baptist University has established one hour parking meters for commuter students. These meters are for students wishing to make a quick visit to the Bookstore, deliver paperwork to the Administration building or visit their professor. Students exceeding the one hour limit or parking at an expired meter will be subject to fines twice that of a normal parking violation.

**PARKING VIOLATIONS**

1. Parking a vehicle on campus without a registration permit and/or properly displayed sticker (registered to the same car and student). A sticker not affixed to the vehicle is the same as not displaying a sticker and will be ticketed. In the event that a student drives a different car than the one registered to the student and assigned sticker, a temporary tag may be obtained in the Office of the Senior Vice President for Student Development.

2. Parking a vehicle in an unauthorized area such as:
   a. Along the south side of the road on Dink Marler Lane (pedestrian traffic lane).
   b. Along any white or yellow painted curbing or edge of any road striped with white or yellow paint.
   c. Within 500 feet of any fire hydrant or other similar emergency device.
   d. The emergency service drive to Muney Gymnasium.
   e. The semi-circle drive in front of the Administration Building.
   f. The service vehicle area at the northwest entrance of Field Academic Hall.
   g. In front of Pillsbury-Huff Residence Hall.
   h. All visitors’ spaces and reserved spaces.
   i. The drive in front of the Sports and Recreation complex.

3. Parking where prohibited by signs.

4. Parking at an expired meter when meter is in operation.

5. Parking on grassy areas.

6. Parking on sidewalks or entrances to buildings.

7. Parking in front of trash disposal containers and “service vehicle only” areas.

8. Parking in a fire lane, traffic right of way, or pedestrian crosswalk.

9. Parking in a lot other than the one specified by sticker color.

10. Defacing or misuse of sticker.

**AUTO BOOT POLICY**

Auto booting is a means of controlling and decreasing the number of habitual parking violators on the Missouri Baptist University campus. The auto boot attaches to the front or rear left tire preventing the moving of the vehicle until all parking fines are paid or parking disputes settled. This is a safer and more convenient way of controlling habitual offenders.

1. Application of Auto Boot
   a. The Auto Boot will be applied after the receipt of the fifth unpaid non-moving violation in one semester.
b. The Auto Boot will be applied to vehicles parked illegally in all reserved, fire, visitor, and disabled parking spaces or may be towed at the owners expense depending on the seriousness of the violation.

2. Removal of Auto Boot
   a. The Auto Boot will be removed providing the following conditions are met:
      1. Fees are paid in full (parking fees, ticket fees, and Auto Boot removal fee of $75);
      2. Public Safety personnel are provided with the receipt showing payment in full of both fines and Auto Boot removal fee; and
      3. Approval of the Senior Vice President for Student Development

RESPONSIBILITIES
1. Violators are responsible for the following:
   a. Parking fees (including all tickets).
   b. Auto Boot Fees.
   c. Any and all damages to the Auto Boot.

2. Missouri Baptist University is not responsible for any loss or damage incurred from Auto Booting.

TRAFFIC OR PARKING APPEAL PROCESS
The Traffic and Parking Appeals Committee has been established to hear parking appeals on a scheduled basis. Appeals may be filed in the Office of the Senior Vice President for Student Development. If one chooses to appeal a parking violation, he/she automatically forfeits the option of the half-price discount given for paying a ticket within 24 hours.

Questions concerning parking should be directed to the Office of the Senior Vice President for Student Development. Appeals must be made in writing and can be done in person in the Office of the Senior Vice President for Student Development or on-line at http://www.mobap.edu/appeal.

Rights and Responsibilities of Resident Students

Campus housing, inclusive of leased off-campus housing, is designed to provide an environment that complements the academic, spiritual, social, and recreational experience at Missouri Baptist University. The enjoyment of life in the community on campus will largely depend on the level of each student’s personal involvement and on his or her thoughtful consideration for others. Basic Rights of each resident include:

1. The right to sleep, read, and study in your room free from undue interruption. Unreasonable noise and other distractions inhibit the exercise of this right at any time.

2. The right to expect that your roommate(s) and any guest(s) will respect your personal belongings.

3. The right to a clean living environment.

4. The right to free access to your room and facilities without pressure from roommate(s) or other residents.

5. The right to privacy.

6. The right to redress for grievances. The Office of the Senior Vice President for Student Development and the Resident Life Staff are available to assist in settling major conflicts.

7. The right to be free from fear of intimidation and physical and/or emotional harm.

8. The right to expect reasonable cooperation in the use of “shared” appliances in your room and a commitment to honor agreed upon payment procedures.

Missouri Baptist University reserves the right to vacate any student deemed harmful to the academic, physical, spiritual, emotional, or social environment of the University or any of its constituency.

Assuming residency in the University residence facilities constitutes complete agreement to abide by the regulations in this Handbook.

Rights of Privacy, Room Inspections, Entry and Search

The University reserves the right to have duly authorized personnel enter a residence hall or apartment room under reasonable and restrained conditions for such purposes as to provide maintenance; to ensure the personal health, safety, and security of residents, staff and guests; or to enforce the student conduct policies, rules and regulations, and other established policies of the University when there is reason to believe that such rules are being violated, as determined by the University in its sole judgment.

When appropriate, during room inspections or searches, the University reserves the right to confiscate items found to be in violation of established policies and regulations (i.e. alcohol, drugs, perceived weapons). Items confiscated will not be returned to the student and disposal is left to the discretion of the Resident Director and the University Department of Public Safety. Students are responsible for items confiscated from their room. In addition, a student’s refusal or interference with such inspections or searches may subject the student to sanctions.

As part of the normal closing process at Christmas break and Spring break, the end of the spring and summer terms or during any other break, members of the Resident Life Staff may enter each room in order to ensure its safety and security.
RESIDENT HOUSING PROCEDURES

This section of the handbook applies to all resident students.

5. Residents will select their own roommate for the following semester.

RESIDENT CHECKOUT

To check out of your room/apartment, take the following steps:

1. Make an appointment with your Resident Assistant to check out 24 hours in advance.
2. Remove all personal property. Any items left in a room or suite area become the property of MBU Resident Life and will be disposed of as deemed fit by the Resident Director.
3. Remove all trash and dispose of it in designated trash facilities.
4. Clean, sweep/vacuum, and mop your room, including the bathroom(s) and apartment kitchen areas.
5. Have a Resident Life staff member inspect your room for cleanliness and damages. The Room Condition Form completed during check-in should be reviewed and signed by the resident and the Resident Life staff member.
6. Return your keys and prox chip. Failure to return keys and prox chip will result in a $100 charge being placed on the student’s account.
7. If you are not returning to resident housing complete a Vacate Form. Your deposit will be refunded if your account is in full and you have no fines or holds on your account. Refunded deposits can take up to a month for processing and mailing. Please allow a full 60 days after checkout for receipt of your deposit. If you have any questions after that time, please contact the Student Financial Services Office.
8. Six months after vacating, your mail will no longer be forwarded.
9. Resident Life files will be kept for 5 years after residence has ended.
CANCELLATION OF THE HOUSING CONTRACT
To officially vacate resident housing, students must notify the Resident Life Office of their intent to move. The housing contract is an academic yearlong binding agreement with the University. If a resident student moves out during the contract period, whether voluntary or involuntary, room and board will be refunded on a pro-rated basis. The refund schedule for room and board will follow the same schedule as tuition for 15/16 week classes. A student leaving after the halfway point of the semester will be responsible for the entire semester charge. Vacate forms must be approved by the Resident Director and Senior Vice President for Student Development before any refund is made. Students leaving during the contract period will not receive a refund of their housing deposit. Students in off campus apartments must notify Resident Life by November 30 if they do not plan on returning to off campus apartments for the spring semester.

EMERGENCY CONTACT
In the case of an emergency, contact the Resident Director, any Resident Assistant, and/or the University Public Safety Officer on duty. In life-threatening situations, press the red emergency call button located in the dorms or call ext 5355. For those in off campus apartments, call 911 in life threatening situations and contact Resident Director as soon as possible. In non-emergency situations, Contact the Resident Assistant in your hall. If he or she is not available, contact another Resident Assistant or Resident Director.

FINES
A student’s account must be free from residence hall fines before that student may be permitted to re-enter the residence hall each semester. The Office of Resident Life places fines on students’ accounts based on the regulations found in this Handbook. Fine amounts are determined by the Resident Directors. These fines may be paid to the Student Financial Services Office.

FLOOR MEETINGS
Attendance at all floor/apartment meetings is mandatory unless special arrangements have been made with the Resident Assistant at least 24 hours in advance. This includes participation in their residence hall’s first mandatory meeting held the last day of Welcome Weekend. In order to avoid any scheduling conflicts, meetings will be announced at least 72 hours in advance. Emergency floor meetings (mandatory attendance) may be arranged on shorter notice if there is essential campus information that must be communicated quickly. Students will be fined if they do not attend mandatory meetings.

HEALTH INSURANCE
All students are required to provide their own health insurance during their residency. Not having health insurance is grounds for an immediate, forced vacate.

HEALTH REQUIREMENTS
All residents must submit acceptable verification of immunizations. Any resident who is infected with a transmittable virus that endangers the health of other residents is required to report it to his or her Resident Director and find other housing arrangements until a clean diagnosis is given. Refer to your Immunization Form for a list of required and suggested vaccinations.

HEALTH SERVICES
Missouri Baptist University does not have a health clinic or school nurse; however, each Residence Hall has a First Aid Kit for minor emergencies. Each student is encouraged to stay in touch with his or her family physician to make personal arrangements for necessary individual medical care.

LIVING ARRANGEMENTS
The typical room arrangements for the residence halls are two residents per room. Requests for a single room must be submitted to the Resident Director. Single rooms are approved by availability at an additional cost to the student. Students living three to a room will not receive a pro-rated discount if additional space is available in either the residence halls or off-campus apartments. Any new student will be subject to a three-to-a-room housing assignment.
Age restrictions are in place to live in campus housing. Additional steps may be required of students who are 23 that will include, but may not be limited to, personal interviews with the Resident Directors. If the student is accepted into Resident Life he/she will be placed on a probationary status for the year.

**OCCUPANCY**

Anyone living in resident housing must be a registered full-time student of Missouri Baptist University taking at least twelve hours of classes during the time in which he/she resides in resident housing. Only a student who has entered a contract with the University is permitted to occupy a room in resident housing. Non residents are not allowed to store personal items in student housing. No more than five people can occupy one room per night. For health and safety reasons, beds cannot be pushed together. In addition, no more than one person (resident or guest) may occupy a bed at any given time.

The residence halls and Spartan Village Apartments will be closed during Thanksgiving break, Christmas break, and Spring break. All students must move out of the halls during those times. Residents in off campus apartments are allowed to stay over a closed break, but overnight guests are not allowed during this time.

The Office of Resident Life will notify all students of closing dates and times.

**PARKING**

All residents must register with the Information Technology Office whether they have a vehicle on campus or not. All residents with vehicles receive, at no additional cost, a residence hall parking permit for campus parking. Residents must register their vehicles prior to occupying fall, spring, and/or summer residence. Residents of Pillsbury-Huff are not allowed to park on the North Hall lot. Students are not allowed to park in reserved parking or handicap spaces anywhere on campus. Any violation of the parking rules is subject to fines administered by both the University Department of Public Safety and Resident Life. Repeated violation of any parking regulation is grounds for additional fines, the refusal to allow a student’s vehicle on campus, or being required to vacate the residence halls. Students with dorm parking stickers may park only on dorm lots; this sticker does not entitle you to main lot parking.

**PERSONAL PROPERTY INSURANCE**

If you wish to have personal property insurance, you may be covered by your parents’ home policy, or you may take out an insurance policy through an insurance company. The University is not responsible for lost, stolen, or damaged items in students’ rooms or in the residence halls.

**ROOM CHANGES**

Every effort will be made to assist students in resolving roommate conflicts. No room changes are allowed during the first two weeks of classes each semester except in extreme situations. Room changes, if necessary, are recommended to take place over the Christmas break. All room change requests must be made by completing a Room Change Request Form. The Resident Director must approve the request before residents may change rooms.

**HEALTH AND SAFETY INSPECTIONS**

Room checks will be conducted weekly at the time scheduled by your Resident Assistant. It is not necessary for you to be present when the Resident Assistant inspects your room. The room must be free of dirty clothes, leftover food, garbage, foul odors, safety concerns, etc. Rooms are also occasionally checked without advance notice. While these checks carry the same enforcement, they are intended to keep check on severe cases. If the room does not pass the room check, it must be cleaned within 24 hours or additional fines and/or consequences will be imposed. A room check is conducted for safety and sanitary reasons, such as keeping the room free of insects.
While inspecting the rooms, the Resident Assistant will give special attention to the bath and/or kitchen areas. The bath area(s) and/or kitchen are expected to be very clean. You must make a schedule (one is provided in your move-in packet) with your roommates/suitemates and post it in the room/suite. The scheduled resident will then be responsible for the cleanliness of the bathroom and/or kitchen. More than two consecutive days of failing room checks will result in a meeting with the Resident Director. Consequences for failing any room check include, but are not limited to, fines, community service hours, and/or, in repeated or extreme cases, forced vacate from the residence hall.

**ROOM DECORATIONS**

Room decorations are limited to personal items that are not in direct competition to the rules and intent of the University. Prohibited items are, but are not limited to, the following: alcohol and tobacco merchandise, lewd signs, city street signs, safety signs and signals, and any other public property. Resident Director’s discretion is final.

**SOLICITATION**

Solicitation of any type is prohibited in the residence hall/apartment complex except by campus organizations. A campus organization wishing to solicit in the halls/apartments must seek the permission of the Resident Director of the respective hall/apartment at least one week in advance.

**STUDENT I.D. CARDS/PROX CHIPS**

All students currently enrolled at Missouri Baptist University are required to have a current Student ID Card. This is required for use of the library, computer labs, food services, and other facilities on the campus. Also, a current Student ID may allow a discount at some merchants (movie theatres, tickets to events, some food establishments, etc.) in the area. Every Resident Student will obtain a Prox Chip from the resident life staff at check-in, which enable resident students to access their hall and dorm. Inappropriate use of ID and/or prox chip by Resident Students will result in disciplinary action.

**SUMMER HOUSING**

Summer housing is determined by a number of factors. There are two general groups of people to which summer housing may apply. They are: 1) MBU students taking summer classes and 2) MBU-employed student workers who already reside in campus housing.

1. MBU students taking summer classes include those taking any classes offered in May, Summer I or II. Students taking a summer mission trip class or an extension center class are a part of this group. Students who participate in a summer missions class but stay for only a portion of the summer are responsible for the housing costs in full until they vacate the halls. Housing priority is given to those students taking classes.

2. MBU-employed student workers are granted the second priority to apply for summer housing. Official University groups such as Spirit Wing, athletic teams, etc., are allowed to reside in the residence halls during the summer without cost during the period of time they are actively involved with their group.

All requests will be reviewed foremost on the basis of discipline. Those students without discipline problems are considered for summer residence. Resident who have any violations of housing policies or the student conduct code will be removed from summer housing immediately.

All charges are based on calendar months. Students are responsible for the entire monthly cost for each calendar month that they are in residence, payable in advance. All summer housing students are required to vacate the residence halls two weeks prior to the beginning of the fall semester unless they are residing in the halls for the upcoming semester. All other student and resident policies are in effect during the summer semesters.
VISITATION/OVERNIGHT GUESTS
Residents may occasionally have visitors of the same sex in their rooms overnight. A resident may not have visitors staying in his/her room more than six nights per month. Visitors may not stay in the residence halls/apartments more than three nights per month. Overnight guests must be approved and registered by a member of the resident life staff. Any guests under 18 years of age must also have a consent form sign by their parent or guardian. Requests for guests under 13 years of age must be submitted to and approved by the Resident Director in advance. Failure to properly register a guest will result in sanctions that may include the loss of visitation privileges. Habitual failure to comply with the guest registration policy could lead to the cancellation of the housing contract. Guests, including friends and relatives, are not allowed to enter a room/apartment without being personally escorted by the resident student, unless they have been given written permission by the resident and are escorted by a Resident Director or Resident Assistant. Overnight guests and visitors are not permitted at any time when the residence halls are closed or during scheduled campus breaks.

WAITING LIST
Students completing their housing application after the June 1 Housing Application Deadline will be placed on a waiting list. A member of the Residence Life staff will contact students when a bed becomes available and they are moved off of the waiting list. If a position is offered to a student and the student turns it down, the deposit is forfeited. Students coming from outside of the St. Louis Metropolitan area will be given first priority. If a student rescinds a reservation before a position becomes available, the deposit will be forfeited. If a position does not become available for the entire year, those students on the waiting list are first in line for the following year’s housing.

CABLE TV
Each dorm room is cable-ready. Students wishing to use this service must provide their own television and cable TV cord.

RESIDENCE HALL CLOSED BREAKS (VACATION)
Closed Breaks include: Thanksgiving Break, Christmas Break, and Spring Break. Residents must make an appointment with their RA to check out of their room for the duration of the closed break. The RA will give the residents instructions prior to the break of expectations of the resident upon checking out. Residents that are required by the University to stay over any portion of the closed break must have a faculty or staff member petition for approval from the Resident Director. Residents that are not required by the University but desire to stay in campus housing during a closed break must submit a written request to the Resident Director two weeks prior to the break. Room and board costs do not include University vacation periods. Students approved by their Resident Director will be charged a room fee to reside in closed halls. A fee schedule is available from your Resident Director. During closed breaks, no guests are allowed in the dorms. Residents staying during a closed break that violate any Housing Policies or any portion of the Student Conduct Code during the break will immediately be removed from housing for the remainder of the break with possible sanctions upon returning when the semester resumes. Off campus apartments are not closed during the above mentioned breaks, however residents are not allowed to have overnight guests. Off campus residents that violate any housing policies during a closed break will be asked to leave off campus apartments for the remainder of the break with possible sanctions when the semester resumes.

COMPUTER LAB HOURS
North Hall – 2nd floor 24 Hours
Pillsbury-Huff – 300’s floor 24 Hours
* Computer Labs are open 24 hours unless closed by Resident Life Staff.
* Computer Labs are for the use of residents only.

EMERGENCY PROCEDURES
Emergency procedures are posted in each suite and in each hallway in case of fire, earthquake, or tornado. Each Resident Assistant will review these procedures with residents. Periodic drills may be planned. It is imperative that students follow the emergency procedures in the event of an alarm.
General evacuation and emergency procedures are listed in the “How to...” section of this Handbook. Failure to follow emergency procedures is considered a serious violation of resident housing policies. Failure to obey the directions given by Resident Life Staff or University personnel during a drill or emergency is grounds for immediate expulsion from the residence halls. Additional emergency evacuation policy material is available upon request from the University’s Department of Public Safety.

**HALL LOBBY HOURS**

North Hall, Pillsbury-Huff Hall, and Spartan Village Apartments close at 12 AM Sunday - Thursday, 2 AM Friday and Saturday, and reopen at 8 AM. Non-residents are not allowed in the hall after the dorm has closed. The campus closes every evening at midnight to all non-residents unless you are a registered guest. A student’s right to use a 24-hour lobby may be revoked based on misconduct or other related discipline problems. All lobbies in North Hall, Pillsbury-Huff Hall, and Spartan Village are open 24-hours for each respective hall’s residents only.

**INTERNET ACCESS**

Internet access is included in the technology fee students pay each academic year. The Spartan Village residents will pick up their mail in the boxes located outside of the apartment buildings. The US post office will deliver their mail directly to the boxes.
OPEN HOUSES
An Open House is a scheduled time when guests of the opposite sex may visit hall floors and residence hall rooms. Visitors must leave their MBU ID with the Resident Assistant on duty in the main lobby. Non-MBU residents must leave their Driver’s License. An individual room/suite is not considered “open” unless agreed to by each occupant of the room(s). Doors of “open” rooms must be left open during the entire Open House time period. Each room’s residents are held responsible for their visitors’ actions and materials brought into or left in the room. All other Resident Life policies are in effect during these times. Any form of PDA during Open Houses is strictly forbidden. Residents of Spartan Village Apartments may have visitors in their living room area from 10 AM to Midnight Sunday – Thursday and 10 AM to 2 AM Friday and Saturday. Members of the opposite sex are never allowed in the bedrooms of the Spartan Village Apartments.

Residents are not allowed to display posters or materials on any hall display board without permission from the Resident Director.

Monitoring of the volume of noise is left to the discretion of the Resident Director or Resident Assistant present. During non-quiet hour periods, residents must maintain an atmosphere that is conducive to study and rest. Quiet hours during Finals Weeks are 24 hours a day with the exception of Resident Life Activities.

TELEPHONES
Phone service is available in every room of the residence halls. Each room has at least one telephone jack with separate phone extensions. One telephone jack is in the shared living room space of the Spartan Village Apartments. Off campus apartments do not have a landline phone. RESIDENT BEHAVIOR EXPECTATIONS

ALCOHOL AND DRUGS
The consumption or possession of alcoholic beverages or controlled substances on campus is prohibited by University policy. Violators are subject to strict University discipline and may face expulsion.

DISORDERLY CONDUCT
Disorderly or unruly behavior is strictly prohibited in the vicinity of campus housing. Failure to comply with the request of a University staff member is considered disorderly conduct. Students who violate a University rule or policy may be required to appear before the Student Conduct Committee, and may be removed from campus housing.

FIREARMS AND FIREWORKS
Use or possession of any firearms, explosives, or fireworks is illegal and thus, strictly prohibited on Missouri Baptist University property, including campus housing. Possession of said item is grounds for immediate removal and dismissal from the University. (Firearm is defined as a hand gun, rifle, airpower pellet, bb or paintball gun, bow and arrow or any look-a-like gun fictional or not.)
GPA/CLASS ATTENDANCE REQUIREMENTS
All resident students must maintain a GPA of 2.0. Falling below this requirement is grounds for eviction from campus housing. Regular class attendance is a must for all resident students. Excessive absences from class may also be cause for eviction. Students whose semester GPA is below 2.0 will be on residence probation for one semester. If the next semester’s GPA is not at least 2.0, the student may not be able to reside in campus housing. It is the student’s responsibility to be aware of GPA issues relating to Resident Life. Spartan Village residents are required to have a 2.5 GPA.

INDECENCY/CLOTHING
Within campus housing public areas, as well as outside campus housing, students are to be fully dressed. Foot covering (socks, shoes, sandals, etc.) must be worn at all times in areas outside of your residence hall/apartment room/suite. Clothing cannot be revealing or promote substances, statements, or companies in conflict with the mission and nature of Missouri Baptist University.

INSUBORDINATION
All students residing in or visiting campus housing are to comply with the directions of Resident Directors, Resident Assistants, and other university personnel. The personal intention of all Resident Life Staff is to provide a safe and academically nurturing environment for all students. Any act of insubordination is grounds for immediate expulsion from campus housing and/or campus. Such acts include, but are not limited to, verbal abuse, physical abuse, and not acknowledging a request of Resident Life Staff or other university personnel.

PORNOGRAPHY
Visual material (movies, books, magazines, pictures, computer images, etc.) considered to be pornographic in nature compromises the values of Missouri Baptist University and is, therefore, strictly prohibited.

PRACTICAL JOKES
Practical jokes may be offensive or harmful. Slandering, humiliating, or sexual harassment of another student is a serious offense and will not be taken lightly by the University. Living in University housing is a privilege. Remember that a high level of maturity is expected of all residents.

SECURITY REGULATIONS
Security equipment is installed for the protection of resident students. Therefore, tampering with any security, safety, or emergency equipment is strictly prohibited. Anyone causing a false fire or personal distress alarm is subject to disciplinary action as well as criminal prosecution. Video cameras in public areas in and outside the halls are for the protection of the students and their property. Under no circumstance will a student give his or her ID, room/mailbox key and prox chip to anyone else, or make a duplicate key. Anyone duplicating a key, or giving their key/prox chip to another student, is subject to disciplinary action and re-keying costs.

SEXUAL CONDUCT
A hug or a kiss can be an accepted gesture to show one’s appreciation for a member of the opposite sex, but while in campus housing a high level of decency is expected to be maintained. This includes not lying down with or sitting on the lap of the opposite sex. The opposite sex is not allowed in the dorm halls except during open hall. At no time is the opposite sex allowed in the bedrooms at the Spartan Village apartments or off campus apartments. The interpretation of any PDA will be left up to the Resident Life Staff.

No sexual acts of any kind are allowed in campus housing or on campus. Any evidence of materials associated with sexual misconduct is prohibited and may be grounds for removal from campus housing or from the University.

SUNBATHING
Sunbathing is allowed for females behind North Hall. Proper and appropriate dress should be worn at all times.
THEFT
The University assumes no responsibility for possessions stolen or presumed stolen and will consider an item lost until theft is proven. However, the University will cooperate in any way possible to investigate an alleged theft and will discipline students found guilty of theft. A theft or presumed theft should be reported immediately to the University’s Director of Public Safety and the Resident Assistant. Anyone caught stealing, or in possession of stolen goods, may be asked to vacate campus housing pending a formal hearing. The University does not provide sanctuary or protection for any Missouri Baptist University student who is apprehended or convicted of theft. To help deter theft, students should always lock their doors and keep their keys.

TOBACCO
The use of tobacco in any form is not permitted in the residence halls or in any building on campus or in off campus apartments. If students smoke, the University requires that they be confined, when smoking at the residence halls, to designated smoking areas. Smoking is strictly prohibited in front of, or near, doorways and windows. The use of smokeless tobacco (dip/snuff) is not permitted in the residence halls, on public walkways, or during campus activities. Please limit your use of such tobacco to grassy areas.

VANDALISM
Anyone defacing or vandalizing University or student property (including littering, ecological damages, and tampering with or removing road signs) will be required to pay restitution and may be subject to other sanctions and fines. Violations will be referred to the Student Conduct Committee. Missouri Baptist University also reserves the right to prosecute individuals who vandalize University property.

This includes, but is not limited to, bow and arrows, any firearms, (pellet guns, air soft guns, paintball guns) mace, knives, shocking devices, or other personal defense devices. Your cooperation is needed in keeping these popular items available. First, care is required when changing channels or trying to adjust the picture. Second, it is your responsibility to help keep the viewing area clear of trash. You may hook up a game system to the television as long as other students are not watching it. The student responsible will pay for any damage caused to the television by any game system hook-up.
